**Indigenous Craft by Durkan**

Indigenous Craft is a carpet tile collection that is inspired by a primitive style where classical rules of proportion and perspective don't apply. Tribal, expressive art meets modern luxury in this collection. Each design incorporates a geometric style that has been beautifully updated for a modern twist, with colors ranging from soft neutrals to a mix of blues and grays. Indigenous Craft bridges the gap between cultural art and craft. With the added benefit of third party UL certified 25% recycled content and CRI Green Label Plus certification, the collection boasts superior sustainability characteristics. It is slip resistant and contains colorfast capabilities, which results in a solution that is safe, easy to maintain and capable of preserving its beautiful style throughout its long lifecycle. The collection's backing system offers unsurpassable durability against edge ravel, delamination, zippering and tuft bind.
