Uncovered by Durkan

Order meets unpredictability in this carpet tile collection. Uncovered mathematic regularity of tile converges with painterly brushstrokes and shattered glass imagery, creating a visual that is at once artistic and precise. Natural disorder is pared down to its most basic essence, allowing the emergence of abstracted beauty. With the added benefit of third party UL certified 25% recycled content and CRI Green Label Plus certification, Uncovered boasts superior sustainability characteristics. It is slip resistant and contains colorfast capabilities, which results in a solution that is safe, easy to maintain and capable of preserving its beautiful style throughout its long lifecycle. Uncovered backing system offers unsurpassable durability against edge ravel, delamination, zippering and tuft bind.

About Durkan

From the hotel lobby and corridors to guest rooms and ballrooms, casinos and areas of assisted living facilities, Durkan is the world-renowned as an industry leader in innovative design solutions and high-style, high-performance hospitality flooring solutions. Durkan's products are offered in a wide range of exclusive innovative pattern and texture technologies, including Definity™, an advanced generation precision sculpturing technology that produces the highest definition of texture, pattern and color available in hospitality carpet; and Synthesis™, which provides a three dimensional layering effect using a custom base and Precision Dye Injected (PDI) surface that enables unprecedented image quality.
